1. Introduction

1.1 Project description

This is a ample introduction section.

This is a second line in the introduction.

1.2 Project management and communication

1.3 General goals

2. Execution

2.1 Backlog

2.2 Current state

2.3 Next steps

3. Technical basics

3.1 Beap and BeapDB

3.2 Android

3.3 Permissions and user types

4. Blubb android app

4.1 Architecture overview

4.2 Communication with Beap

4.3 Sqlite as a local database

4.4 Singleton classes

4.4.1 General matter

4.4.2 SessionManager

4.4.3 ThreadManager

4.4.4 MessageManager

4.5 User interface

4.5.1 Design

4.5.2 Activities

4.5.3 AsyncTasks

4.6 Notifications

4.6.1 Motivation

4.6.2 Service

4.7 Manifest

4.8 Gradle build

5. User documentation

5.1 Thread overview

5.1.1 Show Threads

5.1.2 Thread details

5.1.3 Create a new thread

5.1.4 Modify thread title and description

5.2 Thread messages

5.2.1 Show messages for a thread

5.2.2 Write a new message

5.2.3 Modify a message

5.2.4 Reply to a message

5.2.5 Read replies

5.3 Settings and login

5.3.1 login

5.3.2 logout

5.3.3 Reset the password

5.3.4 First login

5.3.5 Settings

5.3.6 Stay logged in

6. Valuation

7. Prospect blubb

The second Section.
